Fiscal Policy, Fiscal Equalisation, Financial Statistics

Stefan Leist, Vice Director

Stefan Leist, from Köniz (BE), completed a commercial apprenticeship at the Berner Kantonalbank (BEKB) from 1997 to 2000 and obtained his federal vocational baccalaureate in 2001 (2000–2001). He then worked as a junior financial adviser at BEKB until 2003.
From 2003 to 2008, he studied economics at the University of Bern; at the same time, he worked at VZ VermögensZentrum. He subsequently worked as an assistant at the University of Bern, where he obtained the title of Doctor of Business Administration (Dr. rer. oec.).
In 2012, he joined the Short Term Economic Analyses Division of the State Secretariat for Economic Affairs (SECO) as a research associate, where he became Deputy Head in 2016. From 2017, he headed the Labour Market and Social Policy Analyses Division, and from 2022 he was also Deputy Head of the Economic Policy Directorate at SECO. Since March 2026, Stefan Leist has been Deputy Director of the Fiscal Policy, Fiscal Equalization, Financial Statistics Division at the Federal Finance Administration.
He is married and has three children.
